

HAS YOUR COMPANY PENSION BEEN REVIEWED?

73% of company schemes reviewed realise they can reduce their current fees/charging structure.

Do you know your fees & charges?

HAS YOUR COMPANY PENSION SCHEME BEEN REVIEWED?

With **93%** of employees considering the ability to join a company pension scheme a perk of the job, it is important they are maintained. Some points to consider are:

- ① Has your company pension scheme been reviewed **annually**?
- ② Are you aware of how your pension has **performed** over the **past 3 years**?
- ③ Do you know what **fees & charges** are associated with your scheme?

We offer a **free consultation** with an Employees Benefit Consultant.
