

COMPANY PENSION SCHEMES

We can help you set-up or review a company pension scheme.

INTRODUCTION

WHAT IS A COMPANY PENSION SCHEME?

Often referred to as **occupational pension schemes**, these plans are set up by the employer. These schemes provide an income after retirement for scheme members.

There are different types of company/occupational pension schemes. They may be: -

- ① A salary deducted Group Personal Retirement Savings Account (PRSA) Scheme
- ② A Defined contribution scheme (DC)

BENEFITS OF A COMPANY PENSION SCHEME

93% of employees considered the ability to join a company occupational pension scheme a perk of the job (Matrix Recruitment, 2020).
